Does not contain DEHP plasticizers
Free of PBDE's (Brominated Flame Retardants)
Water-based inks

MANUFACTURING
ISO 14001
IGI Quality Mark
International Pollution Prevention and Control (IPPC)

WARRANTY Manufacturer warrants that for a period of 3 years wallcovering is guaranteed to be first quality and free of
manufacturing defects. This warranty applies only on professionally installed wallcoverings as advised in hanging
instructions.

PRODUCT USE ADVISORY This product is intended for use in buildings designed, monitored and regularly maintained to
avoid moisture accumulation on or within walls, particularly in warm, humid climates. The features that make vinyl
wallcovering cleanable and durable also render it low in permeability. Vinyl wallcovering should not be installed on walls
that contain excessive moisture or are subject to moisture infiltration.
