**SPECIAL NOTE** As with all handmade wallcovering, color variation is normal. Since each order is individually handcrafted, **NO RETURNS WILL BE ACCEPTED.**

Please be aware that this wallcovering may interfere with broadcast signals, such as Wi-Fi and radio reception. While interference is possible because of the polyester/metal layer in this specific construction, tests have shown a 5% or less impact on signals when the receptor is totally encased in wallcovering.

**SPECIAL INSTALLATION INSTRUCTION** Wallcovering shall be installed by experienced workers and contractors in strict accordance with these instructions. Material must be dry table trimmed. Hang rolls in sequence, do not reverse. **DO NOT DOUBLE CUT.**

This wallcovering contains metallic particles and will conduct electricity. To avoid possible fire hazards or electric shock, wallcovering should not come in contact with or extend into electrical-outlet boxes or light-switch boxes. Turn off all electricity to the room prior to starting installation.
