Special Note: As with all handmade wallcovering, color variation is normal. Since each order is individually handcrafted, NO RETURNS WILL BE ACCEPTED.

Please be aware that this wallcovering may interfere with broadcast signals, such as Wi-Fi and radio reception. While interference is possible because of the polyester/metal layer in this specific construction, tests have shown a 5% or less impact on signals when the receptor is totally encased in wallcovering. SPECIAL INSTALLATION INSTRUCTION: Wallcovering shall be installed by experienced workers and contractors in strict accordance with these instructions. Material must be dry table trimmed. Hang rolls in sequence, do not reverse. DO NOT DOUBLE CUT.

This wallcovering contains metallic particles and will conduct electricity. To avoid possible fire hazards or electric shock, wallcovering should not come in contact with or extend into electrical-outlet boxes or light-switch boxes. Turn off all electricity to the room prior to starting installation.
